

JOB OPPORTUNITY

HEAD - UNDERWRITING

Barita

ROLE & CORE FUNCTION

Barita Investments Limited invites suitably qualified and experienced individuals to apply for the position of Head – Underwriting in our Investment Banking Unit. The position is responsible for leading the Underwriting Team in executing the efficient assessment of investment opportunities within Barita Investments Limited.

FUNCTIONAL RESPONSIBILITIES

- Ensure the overall adequacy and effectiveness of the risk management techniques/process.
- Contribute to the profitable development of the Investment Banking Unit by ensuring timely analysis, structure, and presentation of financial solutions proposals within the prescribed segment.
- Recommend pricing for debt-related fees which yield a return commensurate with the risk and due regard to profit, administration, and competitive considerations.
- Recommend alternative terms, conditions, and covenants to provide viable proposals to clients within sound debt practices.
- Safeguard the company's assets and liabilities by maintaining adherence to the Guidelines for Business Conduct and adhering to policies and procedures.
- Develop and enhance the Reporting & Monitoring framework which meets the requirements of various external & internal stakeholders. Ensure timely and accurate delivery of Risk Reports. Interpret the information and suggest actions for consideration by Senior Management and Board of Directors.
- Responsible for all underwriting and administrative activities in regards to annual and interim risk review processes including monitoring and controlling out of order collateral, delinquency, excess management, covenant monitoring and annual review, and expiry management.
- Keep updated on products and processes, and any changes, to ensure the company's procedures are effectively and efficiently executed. Keep abreast of industry-related information.

QUALIFICATIONS & EXPERIENCE

- Master's Degree in Corporate Banking, Economics, Accounting or equivalent
- Minimum of eight (8) years' work experience in Risk Management with at least four (4) at a senior level
- Knowledge of regulatory requirements and guidelines, as well as operating standards, is a distinct advantage
- In-depth knowledge of loss provisioning

KNOWLEDGE & COMPETENCIES

- Sound analytical, problem-solving and investigative skill
- Ability to communicate effectively in both oral and written format
- Excellent time management skills
- Ability to define problems, collect data, establish facts and draw valid conclusions
- Ability to work under pressure and handle multiple tasks
- Has the propensity to find appropriate alternatives that enhance business results, open to non-traditional approaches
- Knowledge and use of office productivity tools (MS Office, etc.)

We invite applications from interested and qualified individuals to be submitted to careers@barita.com by no later than January 16, 2022. Shortlisted applicants will be contacted.
